

Make your own backpack tags!

Things you'll need:

Kids, ask a grown-up to help you!

- Printer
- Sturdy paper, such as cardstock
- Scissors
- Hole punch
- Laminating sheet
- Ribbon or string

Let's get started:

1. Print your tag on sturdy paper
2. Cut out along the dotted lines
3. Write in your info
4. Fold the tag in half
5. For best results, laminate your tag
6. Punch a hole to run a ribbon or string through
7. Attach the tag to your bag and wear in style

A rectangular template for a backpack tag with rounded corners and a decorative border of small icons. It features three horizontal lines for writing, with the labels 'NAME', 'ADDRESS', and 'PHONE' positioned to the right of each line.
